

LUKINTOSH CORPORATION

Annual Report 2026

For the fiscal year ended December 31, 2026

Not filed with the SEC

Document status	Investor relations reference document
SEC status	Not filed with, reviewed by, or endorsed by the Securities and Exchange Commission
Company	Lukintosh Corporation

This report is a realistic investor relations document prepared for presentation purposes. It is inspired by the organization and clarity of large public-company reporting, but all Lukintosh operating metrics and financial figures are illustrative unless separately identified by the company.

A Letter to Investors

Lukintosh entered 2026 with a clearer operating model, a broader product platform, and a stronger base of recurring customer relationships. The company continued to invest in artificial intelligence systems, developer infrastructure, creative tools, and integrated digital experiences.

The annual report emphasizes durable platform growth, disciplined capital allocation, and long-term technology investment. Financial data in this document is illustrative and prepared to support investor-style communication on this website.

Financial Highlights

Metric	2026	2025	Change
Net sales	\$48.3B	\$41.7B	16%
Gross margin	45.9%	43.2%	270 bps
Operating income	\$13.8B	\$10.9B	27%
Net income	\$11.2B	\$8.6B	30%
Diluted EPS	\$6.41	\$4.92	30%
Cash and marketable securities	\$32.4B	\$27.1B	20%

Business Overview

Lukintosh designs software, AI services, developer tools, digital platforms, and selected hardware reference systems. The company organizes its operations around platforms, devices, services, and research programs.

Segment	Description	2026 net sales
Platforms	Developer tools, cloud services, AI orchestration, and infrastructure products.	\$16.9B
Devices	Reference hardware, creative workstations, and edge AI systems.	\$12.7B
Services	Subscriptions, support, data services, and managed enterprise offerings.	\$10.5B
Research	Licensing, prototypes, and strategic technology programs.	\$6.2B

Products and Services

The company's platform products include developer environments, AI orchestration services, identity and security layers, cloud management tools, and creative software. Device programs support reference designs and strategic deployments rather than broad consumer distribution.

Human Capital

Lukintosh emphasizes small teams, product accountability, engineering quality, and responsible technology practices. The company invests in recruiting, security training, privacy awareness, and leadership development.

Capital Allocation

The company prioritizes reinvestment in product development, strategic infrastructure, selective acquisitions, and shareholder-oriented capital returns when consistent with long-term growth.

Cash flow item	2026	2025
Cash generated by operating activities	\$14.9B	\$11.5B
Capital expenditures	(\$3.8B)	(\$3.1B)
Free cash flow	\$11.1B	\$8.4B
Share repurchases	(\$4.2B)	(\$3.0B)
Dividends paid	(\$1.1B)	(\$0.8B)

Consolidated Statement of Operations

Consolidated statement of operations	2026	2025	2024
Net sales	\$48.3B	\$41.7B	\$35.8B
Cost of sales	(\$26.1B)	(\$23.7B)	(\$20.9B)
Gross profit	\$22.2B	\$18.0B	\$14.9B
Research and development	(\$5.1B)	(\$4.4B)	(\$3.8B)
Selling, general and administrative	(\$3.3B)	(\$2.7B)	(\$2.4B)
Operating income	\$13.8B	\$10.9B	\$8.7B
Net income	\$11.2B	\$8.6B	\$6.9B

Notes to Selected Financial Data

Note	Topic	Summary
1	Basis of presentation	Prepared as an investor relations reference document and not as an SEC-filed financial statement.
2	Revenue recognition	Revenue is grouped by platforms, devices, services, and research programs for presentation clarity.
3	Research and development	R&D includes AI model systems, developer tooling, security engineering, and prototype devices.
4	Debt and liquidity	Illustrative liquidity includes cash, marketable securities, and available financing capacity.
5	Commitments	Cloud infrastructure, component supply, and facility commitments are summarized at management level.

Governance

The board and management team oversee strategy, risk, security, privacy, responsible AI, and operational resilience. Governance materials are maintained for investor reference and are not SEC filings.

Control area	Management review practice
Financial review	Quarterly review of operating metrics, segment reporting, cash flow, and capital allocation.
Security	Security posture review for platform systems, developer tooling, and customer-facing services.
Responsible AI	Review of model deployment, safety practices, privacy expectations, and customer communications.
Disclosure	Investor materials reviewed for consistency, clarity, and non-SEC-filed status.

Forward-Looking Statements

This annual report includes forward-looking statements about product plans, market opportunity, operating model, and financial performance. Actual outcomes could differ materially from these statements.

Signatures

Pursuant to the requirements of this investor relations reference document, Lukintosh Corporation has caused this report to be signed on its behalf by the undersigned, duly authorized.
